#### 9.1 HURS
Deadlines – Karin did a summary of all the deadlines that we need to have for HURS. This is especially concerning the merchandise, so that we can get them on time. Everyone should look at the dates and see if they are reasonable and write down the dates.

For this year’s HURS the DOMFIL board would like to spend some effort and money on renewing the graphical profile and to invest in HURS merchandise, therefore we will buy a few roll-ups. For the graphical profile and the design of the roll-up the board will have and external part doing the job. The chairman is in charge of writing a contract to Karl-Johan Karlsson about the graphical profile that is going to be updated for this year’s HURS.
